Signed

Date

Compliance with BIS Item 4.1 Preliminaries. (please indicate which of the following apply)

- My boiler has previously been inspected by an inspector appointed by SBA Services Ltd.
- My boiler is new to SBA Services Ltd & was constructed **before** 1st April 2000. I can provide documents to demonstrate fitness for purpose through adequacy of design & construction.
- My boiler is new to SBA Services Ltd & was constructed **after** 1st April 2000 & has certification by an independent authority to demonstrate adequacy of design & construction.

Boiler identity

Boat name...

If the boiler is new to the scheme, please provide the following details: -

Boiler type: Shell or drums (material):

Tubes(material): Boiler maker:

Identifying mark: Date of construction:

Original test pressure: Original design working pressure:

Notes

1. If more than one boiler requires inspecting please provide a separate sheet for each boiler.
2. SBA Services Ltd will normally choose the nearest inspector to your inspection site unless you nominate one.
3. The Administrator will arrange for the inspector to contact you in order to pick a mutually convenient date for the first inspection. You will then be responsible for contacting the inspector for any subsequent inspection visits required to complete the inspection procedure.
4. An invoice will be sent to you on completion of the inspection, all charges will be calculated using rates published in Funnel & the information provided on the approved Inspection Job Sheet.
5. Please read the BIS Booklet which contains full details of the scheme, if you have any questions contact the scheme administrator before making a booking. Tel: 01944 759080
6. Send booking form to: C Davies, Wold Edge, Scagglethorpe, Malton, North Yorkshire YO17 8DU
7. **If you cancel an inspection before the inspector has incurred any costs, a charge of £10-00 to cover administrative costs will be invoiced.**
